

## Ann Arbor Christmas Bird Count

### Participant information form

**PARTICIPANTS/LEADERS – PLEASE READ:**

Please fill in the information below:

- For internal WAS reporting, please note if an observer is 18 years old, or under (I'm not sure if NAS is still tracking this info now that the \$5.00 fee will no longer be charged)
- Include your email address if you'd like to receive an update when the CBC data is posted on the National Audubon's website
- If you are a WAS member, please note that the results of the Ann Arbor CBC and (later) an update about the status of the CBC at large will be in the WAS newsletter
- You may make a tax deductible contribution to National Audubon in support of the Christmas Bird Count - please make checks payable to "Jacco Gelderloos"; payment to NAS will be made via credit card when our count's data is entered.
